

Treatment Guidelines for Immediate Placement and Immediate Restoration in the Aesthetic Zone

Speaker: Brent R. Boyse, DDS

PROGRAM DESCRIPTION:

This program will provide attendees with a strong theoretical basis on the management of single-tooth implants in the aesthetic zone. A secondary objective will be to maximize peri-implant soft-tissue aesthetics around definitive restorations – critical elements for achieving sustainable aesthetics.

PROGRAM OBJECTIVES:

At the end of the program, the participant should be able to:

- Understand the literature pertinent to immediate implant placement and restoration, especially relating to treatment indications and contraindications.
- Distinguish preoperatively between high, medium and low aesthetically demanding conditions (e.g. lip line, smile design, etc.).
- Review clinical and radiographic data prior to treatment planning this type of restoration.
- Converse with surgeons and dental lab technicians regarding the specifics of immediate implant placement and restoration.
- Identify and order the requisite components to accomplish this type of treatment.
- Be familiar with different methods of fabricating immediate single-unit non-occlusally loaded restorations.

Speaker: Brent R. Boyse, DDS

Dr. Boyse received his dental degree from the University of the Pacific – Arthur A. Dugoni School of Dentistry, where he was inducted into the Omicron Kappa Upsilon Honor Society. He completed his Oral and Maxillofacial Surgery residency at the University of Rochester in Rochester, New York and is a Diplomate of the American Board of Oral and Maxillofacial Surgery. Dr. Boyse maintains a group practice with an emphasis on full arch immediate load cases and new technologies in Mesa, Arizona.

ZIMMER BIOMET

Treatment Guidelines for Immediate Placement and Immediate Restoration in the Aesthetic Zone

Speaker: Brent R. Boyse, DDS

Biomet 3i is an ADA CERP recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Biomet 3i designates this activity for up to 5 continuing education credits. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/cerp.

DISCLOSURE: Zimmer Biomet Dental manufactures and distributes products discussed in this course. This course is designed to present a fair and balanced view of all options.

DISCLAIMER: Participants must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy. The information in this course is of a general nature and does not represent or constitute medical advice or recommendations and is for dental education purposes only. Zimmer Biomet Dental does not practice medicine or dentistry. Each clinician should exercise his or her own independent judgment in the diagnosis and treatment of an individual patient, and this course and information does not purport to replace the comprehensive training clinicians have received.

IMPORTANT: Massachusetts and Vermont laws prohibit manufacturers of dental devices from providing free meals to clinicians under certain circumstances. Please notify your host if you are licensed to practice in either of these states.

REGISTRATION AND CANCELLATION POLICY: Registration is limited to practicing clinicians. In order to provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course. Registration is accepted on a first-come, first-served basis. Zimmer Biomet Dental reserves the right to cancel a course no later than 14 days prior to the course date. Please be aware that Zimmer Biomet Dental is not responsible for reimbursement of travel expenses in the event that a course is cancelled. In the event that the registrant needs to cancel, written notification must be sent to Events@zimmerbiomet.com.

TRANSPARENCY REPORTING: All payments and "transfer of value" items provided to health care providers will be reported as required by federal and state laws and regulations. "Transfer of Value" items includes meals and continuing dental education credits.
