Clinical Guidelines for Full-Arch Rehabilitation of the Edentulous Patient with Digital Photography

PROGRAM DESCRIPTION:

Patients with debilitated dentition often seek rehabilitation to quickly regain their confidence and quality of life. Immediate full-arch restoration can be an excellent solution for meeting patient demands and expectations. This full-day program demonstrates a step-by-step, practical approach to both delivering a provisional full-arch prosthesis on the day of implant placement and later creating an aesthetic, functional definitive prosthesis. A dental photography session will be included in this course that provides clinicians with an alternative technique for diagnosis and treatment planning utilizing digital images to assist in the design of aesthetic restorations supported by dental implants.

PROGRAM OBJECTIVES:

At the completion of the program, participants should be able to:

- Understand the scientific basis for immediate occlusal loading of edentulous jaws.
- Use a decision tree to determine which patients are the best candidates for immediate full-arch therapy.
- Develop a plan for fabricating an immediate full-arch provisional restoration with the aid of the RevitaliZe® Guidelines.
- Identify the surgical and prosthetic components required for clinical treatment.
- Have a working knowledge of capturing digital images to assist in treatment planning and restoration design.

MARCO BRINDIS, DDS

Dr. Marco Brindis earned a DDS from the Universidad Intercontinental in Mexico City in 1998. He did a Preceptorship in Dental Implants at the Universidad Intercontinental in 1999 and a Preceptorship in Dental Implants at the Dental School at the UT Health Science Center in San Antonio in 2002. He completed an Implant Fellowship at the Biotechnology Institute in Vitoria, Spain in 2003. He earned a Certificate in Prosthodontics at LSU School of Dentistry in the Department of Prosthodontics in 2007. He then completed all the Esthetic and Occlusion courses at the Pankey Institute in 2007. Dr. Brindis is currently a Clinical Assistant Professor in the Department of Prosthodontics, at LSU School of Dentistry and Director of the Aesthetics and Implant Fellowship. He is the director of the implant and esthetic courses at LSUSD. He is a well-established national and international speaker, including several International Symposiums.

DATE:

Friday, August 11, 2017

VENUE:

Zimmer Biomet Institute South
4600 East Park Drive
Palm Beach Gardens, FL 33410
561-776-6872

TIME:

Registration/Breakfast: 7:30 a.m.
Seminar: 8:00 a.m. – 4:30 p.m.

PROGRAM FEE:

\$199 per registration including program fee, travel and hotel.

Clinical Guidelines for Full-Arch Rehabilitation of the Edentulous Patient with Digital Photography

For the event to be held by Zimmer Biomet Dental on August 11, 2017 entitled, Clinical Guidelines for Full-Arch Rehabilitation of the Edentulous Patient with Digital Photography, Zimmer Biomet Dental is offering to U.S. and Canada based clinicians:

- Two nights lodging (Thursday, August 10 and Friday, August 12) at the Hilton Garden Inn, 3505 Kyoto Gardens Dr, Palm Beach Gardens, FL 33410. Zimmer Biomet Dental will make lodging reservations once registration is confirmed.
- Transportation to and from the Hilton Garden Inn and the Zimmer Biomet Institute South.
- Continental breakfast and lunch on August 11, 2017.
- Reimbursement of one round trip coach airfare ticket up to \$350 from the clinician's home city to Palm Beach International Airport (arriving Thursday, August 10 and departing Saturday, August 12). Air travel must be booked through the Zimmer Biomet Dental travel agent. Once registration is confirmed detailed instructions will be sent.
- Air travel must be booked through the Zimmer Biomet Dental travel agent within two weeks of registration confirmation. Failure to book air travel within two weeks of receiving registration confirmation will forfeit your seat in the event. Travel insurance and other insurance not provided by Zimmer Biomet Dental. Registrant is solely responsible for obtaining all insurance.

Certain state and federal laws require disclosure of information on compensation, reimbursement, or other expenses paid by Zimmer Biomet Dental to clinicians. In this regard, clinician agrees to complete any such reporting forms and to comply with any additional information requests from Zimmer Biomet Dental. Once reported to the applicable state and federal agencies, such information may be publicly accessible.

DISCLOSURE: Zimmer Biomet Dental manufactures and distributes products discussed in this course. This course is designed to present a fair and balanced view of all options.

DISCLAIMER: Participants must always be aware of the hazards of using limited knowledge in integrating new techniques or procedures into their practice. Only sound evidence-based dentistry should be used in patient therapy. The information in this course is of a general nature and does not represent or constitute medical advice or recommendations and is for dental education purposes only. Zimmer Biomet Dental does not practice medicine or dentistry. Each clinician should exercise his or her own independent judgment in the diagnosis and treatment of an individual patient, and this course and information does not purport to replace the comprehensive training clinicians have received.

IMPORTANT: Massachusetts and Vermont laws prohibit manufacturers of dental devices from providing free meals to clinicians under certain circumstances. Please notify your host if you are licensed to practice in either of these states.

REGISTRATION AND CANCELLATION POLICY: Registration is limited to practicing clinicians. In order to provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course. Registration is accepted on a first-come, first-served basis. Zimmer Biomet Dental reserves the right to cancel a course no later than 14 days prior to the course date. Please be aware that Zimmer Biomet Dental is not responsible for reimbursement of travel expenses in the event that a course is cancelled. In the event that the registrant needs to cancel, written notification must be sent to Institute@zimmerbiomet.com

TRANSPARENCY REPORTING: All payments and "transfer of value" items provided to health care providers will be reported as required by federal and state laws and regulations. "Transfer of Value" items include meals and continuing dental education credits.
